YEARBOOK DEDICATION

Beth Collins

Denise Megiel

Thank you both for your time and
dedication to our class.

SPECIAL TRIBUTE

To Syd Porter - with appreciation
for 47 years of service to the Aggie!

It is already tomorrow. Time, which never stops on its journey, will pass before your eyes and in only a few moments you will be members of the community looking back on the years you spent at Essex Aggie. When you do, the photos, facts, and memories in this book will be your stepping stones to happy reminiscence.

May your memories of the "Aggie" be pleasant ones and may your futures be filled with happiness and success.

With every wish for a bright tomorrow,

Raymond Potter

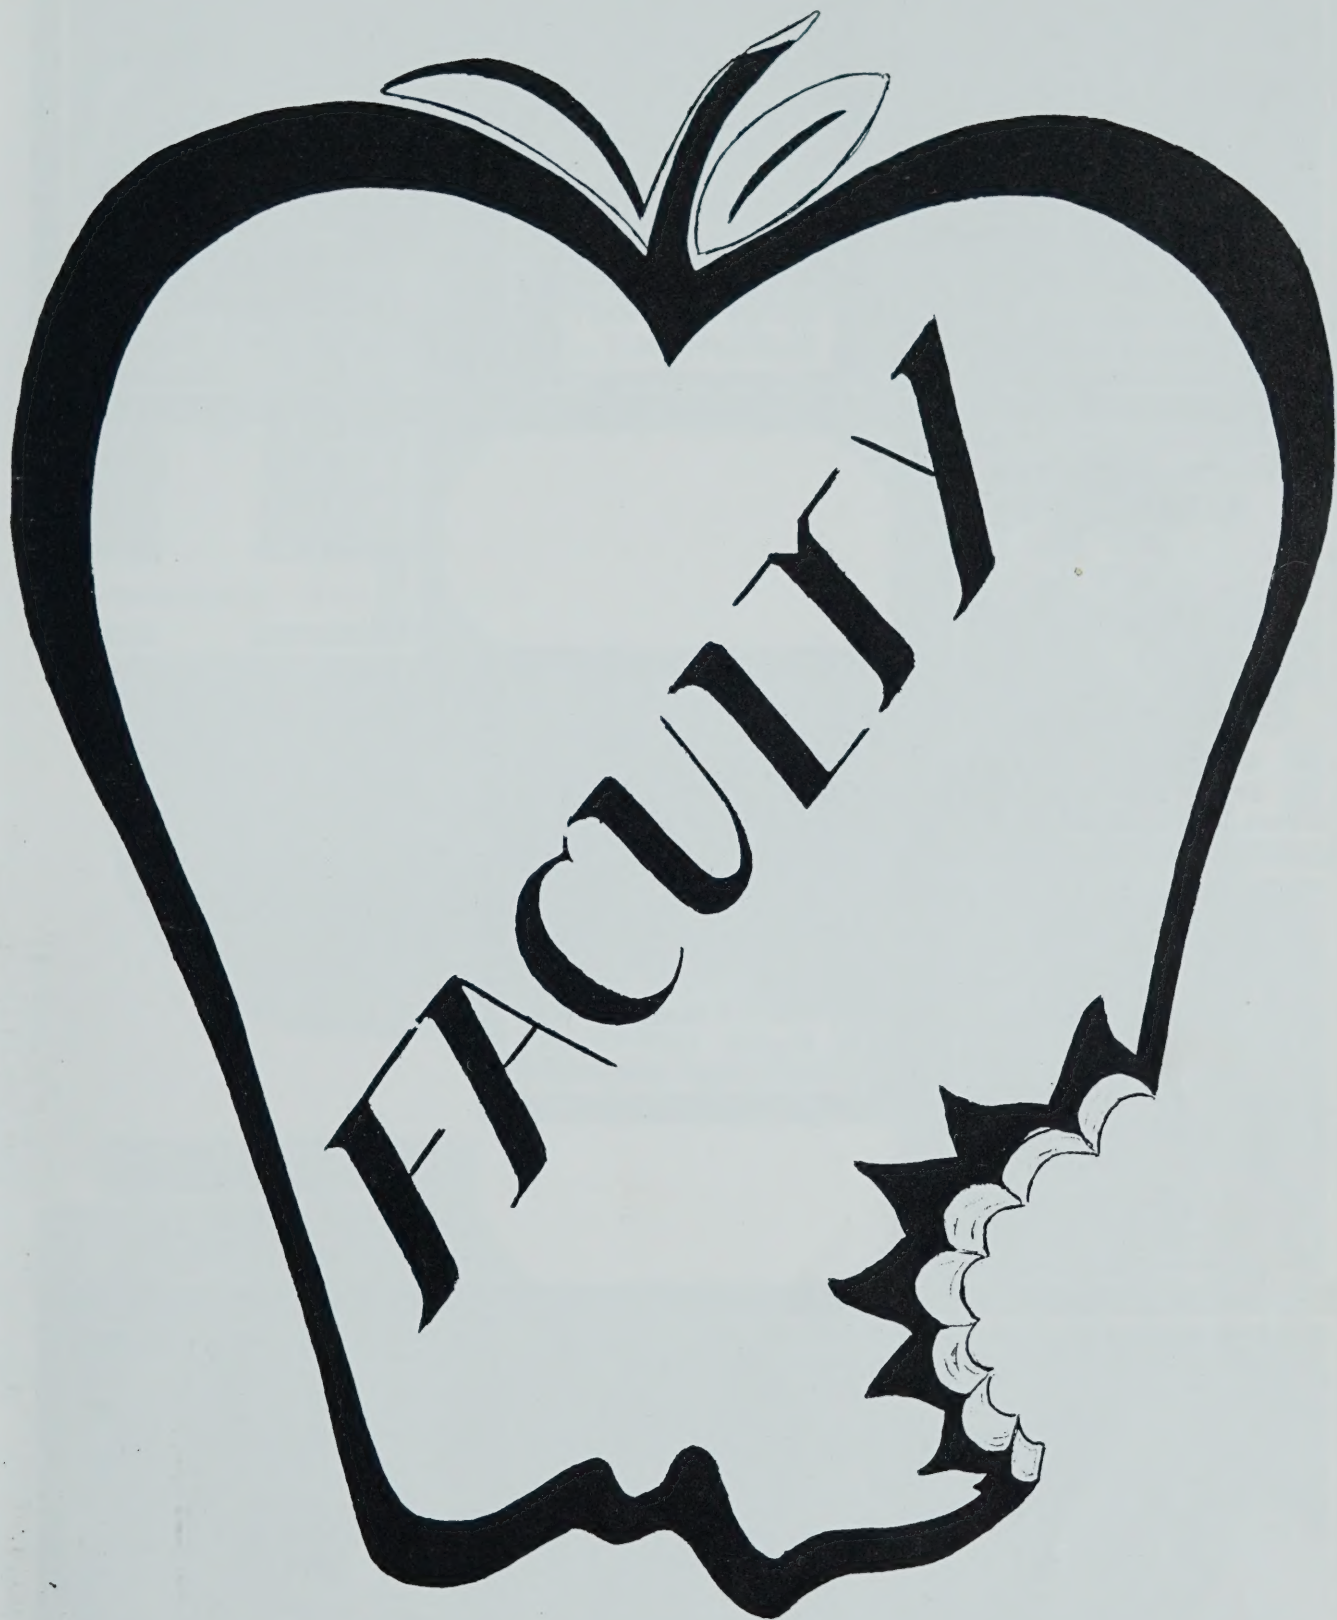

We are at the parting of ways. It seems that this is an appropriate time to wish the Class of 1982 my sincere regards for the future. I also offer you my congratulations on the successful completion of your course in Agriculture.

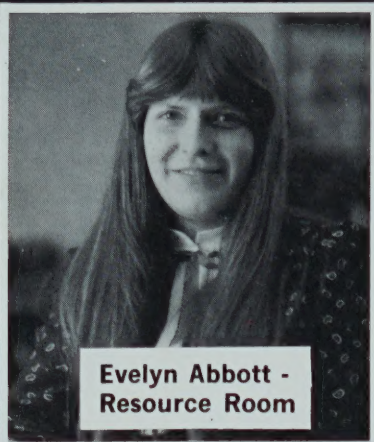

Hold fast to the friendships you have made here at Essex and keep an association with your classmates and your friends on the staff.

Best Wishes,

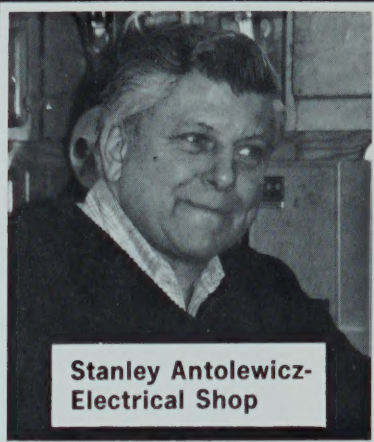

Richard M. Brown

The 1981 soccer season was a challenging one. It was a season of a new beginning. Last year, the team lost over ten people, which left the team in a rebuilding process.

Even though it wasn't a victorious year, our new coach, Gene Demsey, had an incredible amount of patience with the team. All in all, it turned out to be a profitable year, experience wise, for both team and coach.

This year Jim Lussier and Dave Ross will be leaving the team.

CROSS COUNTRY

Bottom Row: L to R: S. Sylvester, T. Stazinski, J. McIlhenney, L. Monteith, Coach Beth Collins. Top Row: L to R: W. Pierce, S. Rogers, H. Dolan, A. Wilson, C. Maslowski.

The 1981 cross country season was one of inexperience after the loss of most of the team last year. This left the new team and the new coach to rebuild.

This year's team was constructed mainly of freshmen. The most dedicated runners were Chesley Maslowski and Sue Sylvester, both freshmen.

A special congratulations goes to the girls for a win over the Ipswich team.

This year Bill Pierce will be leaving the team.

WOMEN'S BASKETBALL

Front L-R: C. Powers, M. Arsenault, H. Wilson, Coach Collins. Back Row: C. Ross, J. Blanchette, J. Delaney.

Front L-R: J. Kay, Coach Haley, M. Burns. Back Row: L. Santos, L. Monteith, J. Dotolo.

The 1981-82 Girl's Basketball Team performed well beyond expectations. This year's team sported an improved record of 5-6. Under the leadership of Senior Co-captains, Heather Wilson and Mary Arsenault, the young Aggie team proved successful against some more experienced opponents. Also contributing to this year's success were Senior, Jeanette Blanchette, Sophomores Cindy Ross and Jill Delaney, and Freshman, Chris Powers.

The J.V. Team, under the direction of Coach Gail Haley, worked toward building and strengthening the varsity talent for next year. Led by Freshman, Leanne Santos, the Junior Varsity had a 3-4 record.

MEN'S BASKETBALL

Front LR: F. Trecartin, T. DiPietro, F. Silveria, J. Collins, J. Harmer. Back Row: B. Peirce, C. Ryan, J. Connelly, Coach Kirkorian.

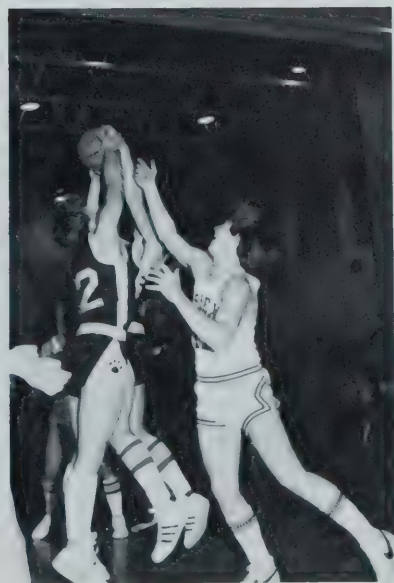

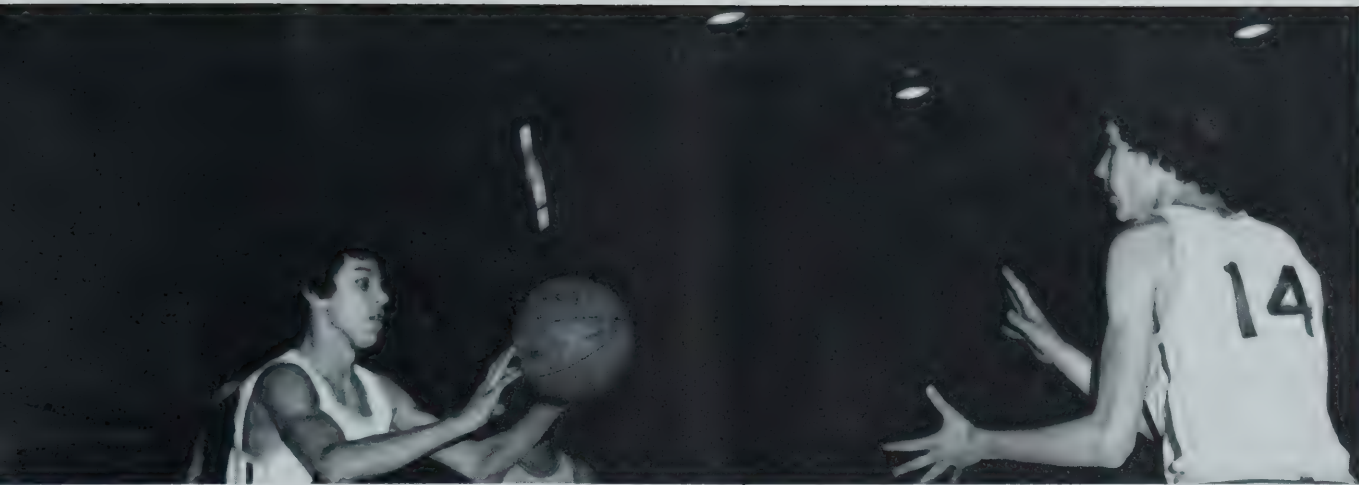

Front L-R: S. Roger, A. Wilson, C. Maslowski, E. Turner. Back Row: E. Trecartin, M. DiPietro, Coach Moore, R. Gut, J. Kanclerowicz.

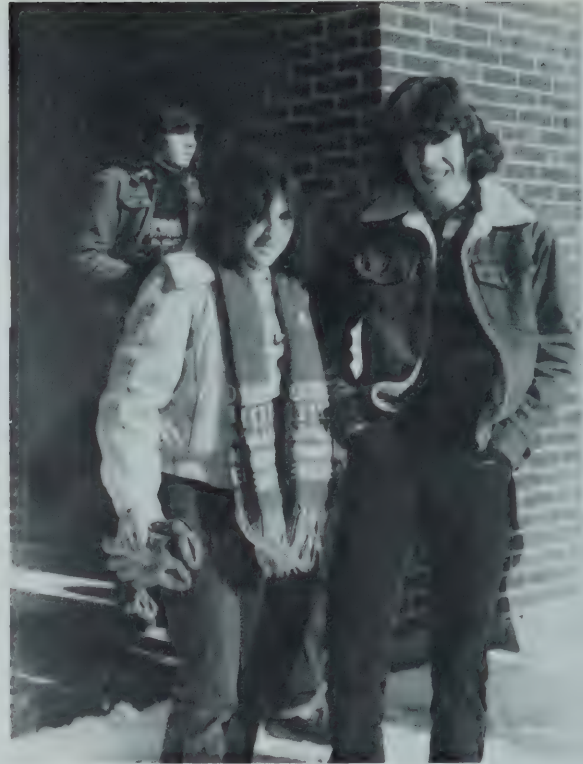

Although this year's Men's Varsity Basketball Team was few in number and small in height, the team gave one hundred percent in every game. Senior captain, Bill Peirce and Junior captain, John Collins led the team throughout its difficult season and Coach Kirkorian was pleased with the leadership of both and the enthusiasm and determination of the entire team.

Next year's team faces the loss of Seniors, Bill Peirce and Tony DiPietro. Coach Kirkorian feels, however, that next year's Varsity will be more experienced and is looking forward to a successful season. He plans to bring up some promising members of the J. V. Team, which was coached this year by Keith Moore.

GRADUATION - CLASS OF '82

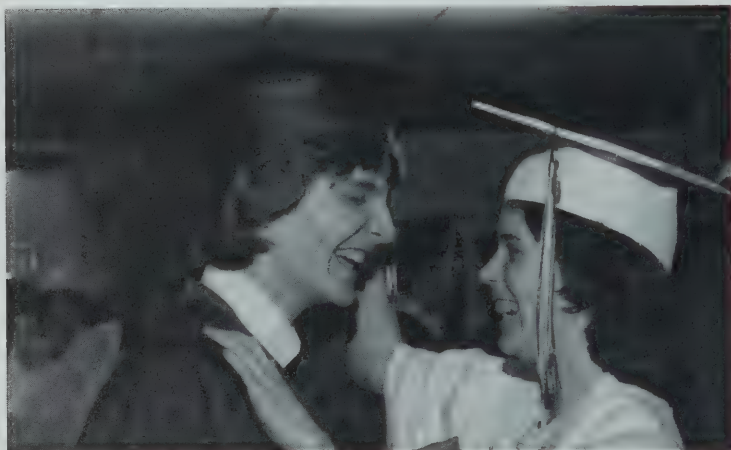

WE FINALLY MADE IT!

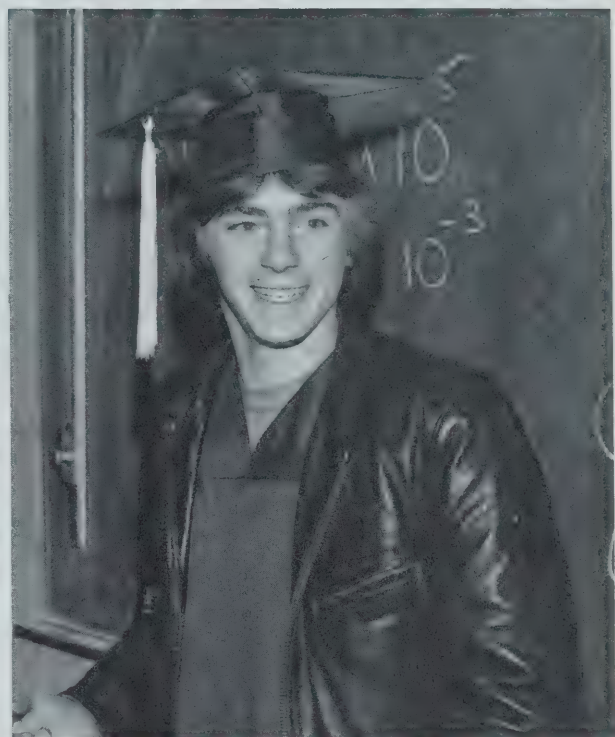

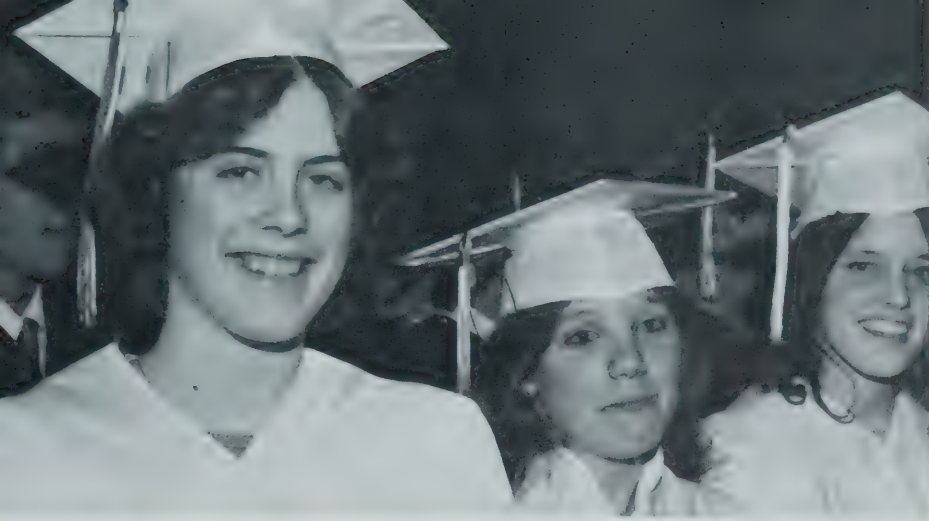

The culmination of an exciting Senior year and four years of work, study, summer projects, and many good times occurred on the evening of April 14th at the graduation ceremonies. Led by Senior Class President, Carol Rochon, the Class of 1982 entered the Alumni Memorial Gym with shouts of high spirit and excitement.

After the Invocation by the new FFA President, Lorraine Blowers, Kathy Hincman, the 1982 Class Valedictorian, reminisced with the class and the audience about the last four years. She reminded them of their bumbling Freshman year when everyone was shy and eager to make friends and be accepted. She also reminded them of their dances, candy sales, competitions, judging teams, and a successful year in competition at the 1982 FFA State Convention. It was pleasant to look back, but the excitement lies in the future.

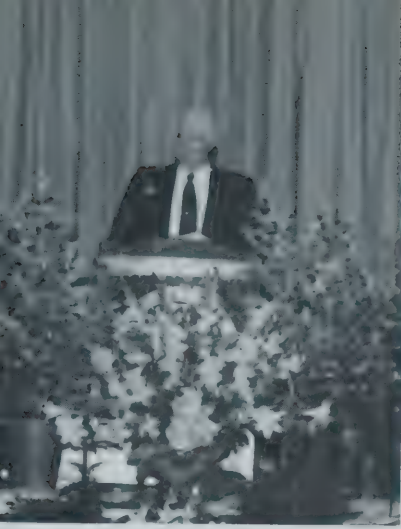

Looking forward and accepting the challenges of the future was the theme of the guest speaker, William H. Ryan, Mayor of Haverhill and a Trustee of the Institute. He encouraged the students to look ahead and to use their unique educations to become successful and productive citizens.

Many awards and scholarships were awarded during the ceremonies by Director Raymond Potter. He, along with Mayor Ryan and Assistant Dean Brown, also awarded diplomas, symbols of four years of vocational-agricultural education.

The drug epidemic can best be arrested by working together. The drug/alcohol problem is, in truth, everyone's problem. Working as a team or in large groups can make a significant difference at the Federal level.

The Committees of Correspondence Newsletter prints up-to-date medical and education material and suggest how "correspondents" can most effectively communicate their concerns to law-makers about drug abuse and thus influence the outcome. The National Federation of Parents was formed to promote the growth and effectiveness of parent groups and all others who wish to halt drug abuse.
